MOTION FOR STATUS CONFERENCE

Earlier today, Boehringer filed a motion to continue all outstanding deadlines in the Court's Scheduling Order (Dkt. 250). This request is necessitated by Mylan's recent introduction of numerous untimely non-infringement and invalidity arguments that have significantly expanded the scope of this case during the exchange of opening, rebuttal, and reply expert reports. The motion for a continuance follows Boehringer's earlier motion to strike Mylan's late-disclosed invalidity contentions (Dkt. 233), which was filed on March 27, 2024. Due to the fast-approaching deadline for expert discovery (August 16, 2024), Boehringer respectfully requests that the Court schedule a status conference at its earliest convenience to clarify the scope and timing of proceedings.

Respectfully submitted,

Dated: July 29, 2024
